Sir:

Enclosed is a Certificate of Correction submitted under the provisions of 35 U.S.C. §254, to correct errors of the Patent and Trademark Office in the printing of the above-identified U.S. Patent.

In addition to the errors of the Patent and Trademark Office, a review of the patent has revealed the presence of errors attributable to applicants/patentees, which however are of a minor and self-evident character, as listed below:

Column 4, line 40, "mitochondrial" should be -- mitochondrial --.

Column 4, line 52, "apolipoproten" should be -- apolipoprotein --.

Column 4, line 62, "apolipoproten" should be -- apolipoprotein --.

Column 5, line 9, "apolipoproten" should be -- apolipoprotein --.

Although the foregoing errors attributable are not of sufficiently serious nature to warrant filing of a certificate of correction, applicants nevertheless wish to bring same to the attention of the Patent and Trademark Office for identification of same in the prosecution record of the above-identified patent.

Respectfully submitted,

Steven J. Hultquist
